EDUCATION AND SKILLS

Bachelor of Commerce, Smith School of Business, Queen's University, Kingston, ON

Fall 2022 – Spring 2026

- Awards and Honours: Bank of Montreal Scholarship, D. I. McLeod Dean's List

Skills: Salesforce Marketing Cloud, Google Analytics 4, Power BI, Excel, Python, SQL, Figma, Jira, Keynote, Stakeholder Presentations, Executive Reporting, Market Research, Data Visualization, Agile Project Management

PROFESSIONAL EXPERIENCE

Digital Engagement Analyst, Queen's University, Kingston, ON

Sept 2024 - Present

- Developed and delivered performance reporting across 450+ digital properties to senior leadership, using Google Analytics and Sprout Social to surface actionable insights that informed channel strategy decisions
- Supported migration from Encompass to Salesforce Marketing Cloud, executing data mapping tasks and developing staff onboarding documentation to support platform adoption
- Contributed to email campaigns reaching 100,000+ recipients, owning copy, layout, and QA to ensure on-brand, error-free deployment.

Junior Product Owner, Royal Bank of Canada (RBC), Toronto, ON

May 2025 - Aug 2025

- Partnered with cross-functional teams (design, development, change management, legal) to define and validate product requirements for a \$20M+ financial services research platform used by enterprise clients and analysts worldwide
- Coordinated UAT cycles for a \$20M+ financial services platform, identifying critical defects against business requirements that informed a launch delay decision, ensuring the product met compliance and quality standards before release
- Independently facilitated all Agile ceremonies for a 15+ person cross-functional team including senior leadership and external consultants, maintaining sprint continuity across a two-week period without manager oversight

Purchasing Coordinator, Food4Kids Waterloo Region, Waterloo, ON

May 2023 - July 2023

- Managed \$20,000 weekly procurement budget across 7+ vendor relationships, negotiating contract terms that generated ~\$1,000 in weekly cost savings for a non-profit food security organization
- Tracked and analyzed weekly spending data to forecast procurement needs, identifying variances and adjusting purchasing decisions to ensure consistent food supply for the organization's beneficiaries

LEADERSHIP AND CAMPUS INVOLVEMENT

Print Director (Previous Content Lead), Queen's Women in Leadership (QWIL) Kingston, ON

March 2024 - Present

- Owned end-to-end delivery of QWIL's annual magazine, leading a team of four across content and production from conception through print launch, managing competing timelines and stakeholder expectations

Consultant, Smith Business Consulting, Kingston, ON

Sept 2024 - Dec 2024

- Delivered a stakeholder analysis and communications strategy for an early stage biomanufacturing facility, identifying key internal and external stakeholders, assessing information flow risks, and recommending a funding allocation framework to client leadership

Campus Radio Host & Producer, CFRC 101.9, Kingston, ON

Sept 2022 – June 2024

- Produced and hosted two weekly news shows reaching 29,000 listeners, researching audience needs to inform content strategy and conducting interviews with university leadership to deliver relevant, timely campus coverage

PROJECTS

AI Workflow Strategy & Workshop - Queen's University Office of Advancement

- Independently designed and presented a generative AI implementation strategy for administrative workflows to department Directors at Queen's University Office of Advancement. The proposal was adopted as an official staff workshop
